

# Building Savings and Ownership in America

**Who** Policy makers, media, foundations, business leaders, community organizations, advocates, and others interested in asset building.

**What** Policy briefing on the 2005 *Assets and Opportunity Scorecard: Financial security across the states*. See how Illinois measures up in six areas: financial security, business development, home ownership, health care, education, and tax policy. For more details go to [www.cfed.org/go/scorecard](http://www.cfed.org/go/scorecard) (beginning May 17).

**Why** Get involved in building financially strong families and communities.

**When & Where**
